

# International Conference on Emerging Trends in Engineering & Technology (ETET 2024)

Virtually on October 29-30, 2024.

Published by the Grenze Scientific Society

**International Conference on Emerging Trends in Engineering & Technology - ETET 2024.** We are excited to announce that ETET 2024 will be held Virtually on October 29-30, 2024. This interdisciplinary conference aims to bring together engineers, researchers, and student technocrats to discuss and promote the transfer of advances in engineering and technology. Our objective is to enhance the interchange of scientific and engineering information among researchers, engineers, students, and practitioners in India and worldwide to promote research and development activities.

available in  
GRENZE International Journal of Engineering and Technology (GIJET)  
indexed in Scopus.

## ETET 2024 will have FOUR tracks

International Conference on Emerging Trends in  
Computer Science (CS)  
Electronics Engineering (EEE)  
Mechanical Engineering (ME)  
Civil Engineering (CE)

The ETET 2024 conference is jointly organised by the IDES, ACEECom, AMAE and ACEE. All the accepted registered papers will be published by the Grenze Scientific Society and it will be made available in the GRENZE International Journal of Engineering and Technology (GIJET), and will be indexed in Scopus.

### Submission Deadline

**On or Before Sep 20, 2024**

**Notification of acceptance**

**On or Before Sep 25, 2024**

**Authors' Registration**

**On or Before Oct 20, 2024**

**Organized by**
